

# IRIS INTERNATIONAL SCHOOL

Nalasopara - East

Class : VI to X.

4 April, 2021

Dear Parents,

Every year we enrol all our students for various state, national & international level competitive examinations held during the academic year from class VI. Early exposure to these competitions build confidence and sharpens their skills which raise their level from other school students on the same platform.

These exams will enhance the skill of understanding the application of concepts, which is required in a broader context when they appear for exams like JEE, NEET, Civil Service, and many others. Such Exams develop IQ, logical and analytical thinking and build a strong foundation for a career.

We have organised an online **Orientation Programme on Competitive Examinations** your ward will appear throughout the year.
