Orientation Program for Competitive Exams

Respected Parents,

Our school is organizing the **Parents Orientation Program for Competitive Exams** of grade VI - XII.

Every year we enroll all our students for various state, national & international level competitive examinations held during the academic year from grade VI. Early exposure to these competitions builds confidence and sharpens their skills which raise their level from other school students on the same platform.

These exams will enhance the skill of understanding the application of concepts, which is required in a broader context when they appear for exams like JEE, NEET, Civil Services and many others. Such Exams develop IQ, logical and analytical thinking and build a strong foundation for a career.

Meeting details are as follows :

Date : 8th April, 2023

Venue : School Back Assembly Area.

Time : 9 AM to 10 AM

Duration : 60 minutes

Kindly follow the schedule and confirm your presence as it helps you to monitor and guide education of your child throughout the year.
