		Jr. KG.	Making Sunflower by Pulses and tea powder	
		Sr. KG.	Making sunflower by paper tearing	

Instructions:

1. The celebration will be conducted under the supervision of pre-primary teachers.
2. All the students of the class will participate in the event.
3. The students will wear yellow colour dress on the day and carry following items along with them:
 - Nursery students will carry 1 banana of yellow colour.
 - Jr. KG. students will carry 1 mango of yellow colour.
 - Sr. KG. students will carry any 1 object of yellow colour.
4. The students will carry the materials required for the activity on their own.
5. Duration of the event: 60 minutes.

Yellow is the perceived color of sunshine. It is associated with joy, happiness, intellect and energy.
