GERMINATION DAY CELEBRATION

Respected Parents,

Our school is organizing the **Germination Day Celebration** for grade Nursery to Sr.KG. The theme of this year's celebration is **"Plantation and Restoration of Nature".**

The Germination Day Celebration is conducted for students to -

- Obtain information with respect to the planting value of the seed.
- Provide results which could be used to compare the value of different seed lots.
- Make the students understand the process by which a plant grows from a seed - to germinate, to develop into a plant or individual, as a seed or sprout.
